## EXPERIENCE

**Freelance** work includes the design of sales literature, promotional flyers and posters for music events and bands, as well as album sleeves and web design. Freelance work has enabled me to **talk to clients** and **work to live briefs**.

Live briefs through University, including **MPA Roses competition** where my work was **commended**.

## INTERESTS

I enjoy listening to music of almost any genre, and I am a keen musician and **play** several **instruments** including guitar, piano and vocals. I have always had a keen interest in **art**, both traditional and contemporary, and enjoy **visiting galleries** as well as **painting** and **drawing**. I enjoy **learning** new **languages** as I like to be able to communicate with different types of people. I speak **French** and a little **Spanish**, and I aim to improve on both of those and learn **Japanese** and **sign language**.
